All Summer Program skaters must fill out this Registration form (once for the entire summer).

Fill out a Reservation Request form to select the sessions and classes you wish to reserve. You may add reservations as the summer progresses by submitting additional copies of the form.

Freestyle sessions will be filled on a first-come, first-served basis up to a maximum of 20 skaters per session.

Reservations are particularly important when you have a lesson scheduled, since you don't want to miss out if the session fills up.

Reserved sessions must be pre-paid and will only be held if your account is up to date. Available credits may be used for future reservations or for drop-ons.

Reservations may be added, canceled, or changed to a different session up to the deadline of 2:00 pm on the prior day. Session credits are issued for cancellations made prior to the deadline. Once the deadline has passed, skaters are committed to the sessions reserved. Absence from a reserved session forfeits the credit. (This is in fairness to others. It would be a discourtesy to hold a session for you "just in case" you need it.)

All skaters must check in at the front desk. Reservations are held to 5 minutes before the start of a session. At that point, skaters are called from the waiting list, if any. If the session is full, a skater with a reservation who arrives late will lose his or her place and forfeit the credit.

I hereby approve the applicant to participate in the East West Ice Palace Summer Training Program. In doing so, I agree to release, indemnify, and hold harmless Artesia Ice Skating Training Center, L.L.C., its owners, officers, employees, and staff coaches with respect to any and all injury, disability, death, or loss or damage to property, whether arising from the negligence of the releasees or otherwise, to the fullest extent permitted by law.
