Fill out a Reservation Request form to select the sessions and classes you wish to reserve now.

You may add reservations as the summer progresses by submitting additional Reservation Request forms.

Freestyle sessions will be filled on a first-come, first-served basis up to a maximum of 20 skaters per session.

Any exception to the maximum number of skaters per session must be approved by Peter Oppegard.

Reserved sessions and classes must be pre-paid.

Available session credits may be used for future reservations or for drop-on sessions.

Reservations may be added, canceled, or changed to a different session up to the deadline of 2:00 pm on the prior day.

Session credits are issued for changes made prior to the deadline. Once the deadline has passed, skaters are committed to the sessions reserved. Absence from a reserved session forfeits the credit.

All skaters must check in at the front desk for their sessions.

Reservations are held to 5 minutes before the start of a session. At that point, skaters are called from the waiting list, if any. If the session is full, a skater with a reservation who arrives late will lose his or her place and forfeit the credit.

I hereby approve the applicant to participate in the East West Ice Palace Summer Training Program. In doing so, I agree to release, indemnify, and hold harmless Artesia Ice Skating Training Center, L.L.C., its owners, officers, employees, and staff coaches with respect to any and all injury, disability, death, or loss or damage to property, whether arising from the negligence of the releasees or otherwise, to the fullest extent permitted by law.
